## Wanner International Limited

### HEALTH & SAFETY POLICY

It is the policy of Wanner International Ltd to comply with the terms of the Health and Safety at Work Act 1974 and subsequent legislation, and to provide and maintain a healthy and safe working environment. The company views these as a primary responsibility and to be the key to good business in adopting appropriate health & safety standards.

The company's Health & Safety policy calls for continuous improvement in its health & safety management activities and business will be conducted according to the following principles:

1. To provide adequate control of the Health & Safety risks arising from our work activities.
2. To maintain a company culture where all individuals take responsibility for the Health & Safety of the working environment and to report any situation which may pose a threat to the well being of any individual.
3. To ensure that any incident is recorded and reported to the delegated representative. Accident records are crucial in forming an effective monitoring process and for revision of the policy.
4. To consult with employees on matters affecting their Health & Safety.
5. To provide and maintain safe plant and equipment.
6. To ensure safe handling and use of substances.
7. To provide information, instruction and supervision for employees.
8. To ensure all employees are competent to do their tasks, and to give them adequate training.
9. To prevent accidents and cases of work related ill health.
10. To maintain safe and healthy working conditions.
11. To follow a concept of continuous improvement and make best use of its management resources in all matters of health & safety.
12. To communicate its objectives and its performance against these objectives throughout the company and to interested parties.
